

# FLORIDA FLIPS GYMNASTICS

## GYM POLICIES

Student Name: \_\_\_\_\_

Class Day & Time: \_\_\_\_\_

Tuition: \_\_\_\_\_

PAYMENT:

Payment is always due before the first week of the session. We are a **CASH ONLY** business and accept cash or checks as payment. Email statements will be sent the week before tuition is due. A non-refundable annual Registration Fee of \$35 is due every August and is pro-rated throughout the year. You will receive a free Florida Flips T-shirt when your registration fee is paid.

SIX WEEK SESSION:

Session 6 (right after the Christmas break) is a six-week session. Tuition for this session is one and a half times the normal session fee.

WITHDRAWING FROM CLASS:

When it is time to move on or just take a break, we ask that you be courteous and give us a call. Please don't just stop coming. Others may be waiting for the spot you are holding. Thank you in advance for your consideration.

MAKE-UP POLICY:

Make-up classes are only allowed if your child is ill or injured and your account is current. All make-up classes **must** be scheduled with the office each time. If your athlete is injured or sick and can't attend class, please text or call the office. Do not bring your child to the gym if they are sick. If you feel you have an exceptional situation, please call.

VACATION POLICY:

Credit will be given for scheduled vacations of one to three weeks in the months of June, July, and August. Please make arrangements in the office.

DRESS:            BOYS –

sweat pants or shorts (with elastic waist – NO blue jean shorts), T-shirts, bare feet

GIRLS –

plain leotard (no skirt), bare feet, pull hair back in scrunchie if possible, NO watches, rings, necklaces or earrings.

DROP-OFF/PICK-UP:

You are not required to stay in the waiting area while your child is in class. **Please pick your child up promptly in the waiting area after their class ends. This is especially important for parents of PRESCHOOL students as your child's coach has another class starting as your child's class is ending and there is no one to watch your child in the waiting area.** Remind your child they are NOT to go outside alone.

SPEED LIMIT/PARKING:

Because of small children going in and out of our building all the time, we would ask you to keep to a 10-mph speed limit on Burns Lane and in the parking lot. You may park in front of our building or in the grassy area behind the building. If you park in front of any other business, you risk being towed.
